AF28-300mm XR Di VC F/3.5-6.3 Macro
Equipped with an anti-shake mechanism called VC (Vibration Compensation) that lets you take blur-free hand-held pictures at slower than normal shutter speeds.

Here's your chance to get your hands on Tamron's latest line-up of Di and Di-II lenses. We will have a full range of lenses for you to borrow during the in-the-field session.

Lowry Park Zoo

Tampa, Florida — May 2 & 3, 2008

James Shadle

Your Instructor is James Shadle who is an international award winning nature and wildlife photographer and Florida Master Naturalist. As a Florida Master Naturalist, James is qualified to teach you about your subject as well as the technical skills needed to photograph it beautifully.

Tampa's Lowry Park Zoo is the number-one family-friendly zoo in the U.S. according to Child magazine and is recognized by the State of Florida as a center for Florida wildlife conservation and biodiversity (HB 457). Natural outdoor exhibits for more than 1,800 animals from Florida and similar habitats include a Florida wildlife center and manatee hospital, Asian Domain, Primate World, aviary, Australian-themed children's zoo, and Safari Africa.
